

The Federal Communications Commission

Dear The Federal Communications Commission,

I know that u will most likely never read this, but if by some small chance you do...

I am 14, and I have a tracfone (a prepaid cell phone). For 100 minutes its like 40 bucks. If u raise the taxes or whatever itll be like 100 minutes for 50 bucks. And I cannot afford that. I dont have a job. please dont do this. even htough u most likely will. please.

Sincerely,

Michelle Lyon
